Order.

The petitioner represents that the Chattram and the Musafarkhana were built by an ancestor of his and that he is anxious to maintain them in a satisfactory condition, so that it might be useful to the public and therefore requests that the Dharmadaya Inam lands attached to the buildings might be restored to him. It is quite clear from the records that the buildings have been very badly neglected and that the Dharmadaya lands have been dealt with as ordinary family property. There does not, therefore, appear to be any reason to modify the order already passed. There are, however, one or two points which have got to be cleared up. The Municipality was asked to take over the buildings but it is unwilling to do so. Whether the buildings are necessary for the use of travellers or not, has to be ascertained. The petitioner contends that if the lands are resumed, the buildings may be made over to him. If there is no public purpose to which the buildings could be put and if they were really constructed at the expense of the family, the buildings might be restored to the petitioner. Otherwise, the question of maintaining the buildings in a satisfactory condition will have to be settled. If the buildings could be kept in a state of good

repair for public use, the income from the lands might be used for the purpose and safeguards provided to ensure that the income from the lands is devoted to the charity and not diverted for any other purpose. The order already passed does not resume the lands absolutely to Government, but has directed that they might be taken over for direct management by Government for the benefit of the charity. A communication might be addressed to the Muzrai Commissioner for obtaining information in regard to the need for any public purpose of these two buildings and on receipt of his report, further action to be taken might be settled.

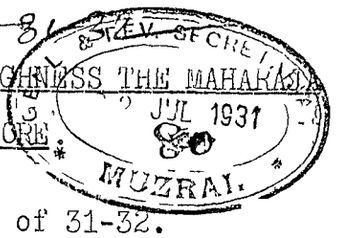
Muz Review 20 of 31



BEFORE THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE, BANGALORE.

Muzrai Petition No. 2 of 31-32.

Petitioner:- C. VENKATA BHIMA RAO, son of Hanumantha Rao, aged about 32 years, residing in Chennakesavapura, Pavagada Taluk, Tumkur District.

The Petitioner abovenamed most humbly and respectfully begs to state as follows:-

Facts of the Case.

Over seventy to eighty years ago the fore-fathers of the petitioner built as a charity for the use of the public a chattram and a musafarkana in the town of Pavagada. These were built at a cost of about Rs.4000/- and the public were greatly benefitted thereby.

The repairs and upkeep of these buildings could not be carried on without help; and the Government were pleased to grant to the family some lands as Inamthi for the purpose. This was in or about the year 1862-63. Since then the petitioner's ancestors and latterly the petitioner have been in the enjoyment of these lands and maintaining the buildings in proper condition.

In the year 1910-11 some unknown person wrote an anonymous petition that the buildings were not in good

repairs.

repairs. The then De ty Commissioner thereupon ordered that the chattr may be let out on rent and the amount realised be sed with the consent of the managers or owners for eeping it in repairs and that he would go to avagoda and pass final orders after inspecting the buildings.

Nothing happened further and the entire question was dropped until 1929-30 till when petitioner continued as was his duty to maintain the chattra and musafarkana though Government realised rent from chattra. In July 1929 petitioner was served with a notice from the Amildar to show cause why the Inam Lands should not be - resumed since the chattra was in a dilapidated condition. The petitioner submitted that he was attending to repairs and upkeep and that if Government were pleased to pay him the rents realised from the chattra since 1911-12 he would rebuild such portions of the chattra as might - have been affected by the age of the building. The - Amildar gave an endorsement that the rents realised - would be spent on the building by the Government themselves and that petitioner should attend to repairs and upkeep in such manner as may be desired by the Amildar. The petitioner was ready and willing to do so. This was on 20. 1. 1930.

Accordingly the Government were pleased to rebuild portions of the building out of the rents realised. - The petitioner had attended to the repairs and upkeep of the musfarkana and was waiting orders of the Amildar in the matter of further repairs if any to the chattra by him.

On 10. 5. 1931 however he was told that Government

have

have ordered in order No. 1579-81 Muz -254-27-13 dated 14/15-1-31 that the lands should be resumed and that - the chattra should be given over to the care of the - Municipality. The endorsement served on him in this behalf is produced herewith.

The petitioner most humbly submits that the order resuming the lands and handing over the chattra is - highly inequitable and opposed to the justice of the - case. The petitioner prays that the Hon'ble Government may be pleased in modification of that order to direct that petitioner do continue to enjoy the lands recover the rents and maintain the buildings in proper repairs, on the following

GROUNDS.

1. The chattra and the musafarkana have all along been kept in proper repairs. It was only when age began to tell on the chattra that rebuilding became necessary and this has been done out of rents realised as per order of the Deputy Commissioner. Thus there has been no laches on petitioner's part.

2. There was and has been no complaint whatever against petitioner regarding the musafarkana for whose upkeep also the lands were meant.

3. The seasonal conditions in Tumkur District and particularly in Madhugiri and Pavagada Taluks have been notoriously bad for nearly two decades and the income - from lands yeild little indeed over and above the kandayam. It is only the hope of better times that keeps on the ryot to his land. Yet petitioner has spent all the income and

sometimes

sometimes from his own pocket in repairing the buildings.

4. That it was this aspect of the situation that was appreciated by the Deputy Commissioner in passing an order directing the leasing of the Chattra and utilising the proceeds in the repairs "with the consent of the managers or owners."

5. The buildings belong to the petitioner and his family and it would not be just or equitable for the Hon'ble Government to hand over the chattra to the Municipality. - It is a costly and valuable building built entirely by - the petitioner's ancestors at their own expense.

6. The learned Deputy Commissioner in 1911-12 had promised to inspect and pass final orders. It was not done and the matter was allowed to lie for 17 years; - during all the time Government realised the rents while petitioner spent monies on repairing though he could well have insisted on the rents being paid to him before he - effected any repairs.

7. The Amildar directed that petitioner should - effect repairs in such manner as may be indicated by him. This was never indicated. It is unjust to penalise the petitioner for no fault of his.

8. Since 1911-12 Government were in supervision of the building leasing it out and recovering rent. The subsequent repairs effected by them is only just and proper - and there was no fault on petitioner's part.

9. The buildings are in good condition which could not be the case unless petitioner had been regularly -- looking to their upkeep and maintenance.

10. The

10. The order resuming the lands is too severe a step against petitioner even if he could be considered guilty of any laches, while the order handing over the chattra is opposed to law and a deprivation of petitioner's right in the property.

The petitioner most humbly submits therefore that the order may be modified as prayed for.

The lands are fixed for sale on 26. 7. 31. If they are allowed to be sold away petitioner will be put to serious loss and injury. The lands have been in the enjoyment of the petitioner and his ancestors for nearly sixty years and petitioner most humbly and respectfully prays that the sale may be stayed and the Hon'ble Government enquire into the justice of the petitioner's case.

could observe that on the site of the present Chattram there was a dwelling house. which one Somasundara Rao purchased & wanted to convert into a Chattram, provided the Same is endowed with Jodi Inam.

The Said individual subsequently transferred the Same to a city in column 15. The above transactions seem to have been approved by Superintendent of Chitaldroog, vide Muchulka Nos: 148 and 228 of 1855 and 1860 respectively.

The Chattram is permanently occupied by the Amildar from Several years past, and its maintenance is reported to largely by Traveller. The Amildar occasionally feeds Brahmins in the building gratuitously at his own cost.

To be confirmed So long as the Chattram and Annachatra are in good order. Subject to present Jodi without fraction or Rs: 1-6-0

The remainder of the Inam is distributed between the Villages of Kothur Thimmalapura, and Mogada Lakatte, the register of which please refer to.

The well is a convenient by private enterprise. It appears that the Superintendent had ordered that no cot Should be brought at the bar & Jodi Any land be irrigated.

Subject:- Resumption - nam lands - endowed to Bhimappa's chattram at Pavagada.

SIR,

With reference to correspondence ending with your letter No.1441 Muz. dated 12th April 1932 calling for further information on the above subject, I have the honour to forward herewith copy of Turkur Deputy Commissioner's letter No.M.229/31-32 dated 21st March 1933 and to state that it appears from the Amildar's report (enclosed in the records) that the continuance of Bhimappa's ---- Chattram is very necessary for the convenience of the travelling public especially during the itenerant sessions of the Special -- First class Magestrate of Madhugiri at the place when the New -- Traveller's Bungalow and the District Board Musafirkhana will be occupied by the Magistrate and lawyers respectively. The ------ Bheemappa's musafirkhana is stated to have fallen down and the Deputy Commissioner opines that there is no use of getting it -- repaired at a heavy expense. Both the Sub Division Officer and Deputy Commissioner recommend the retention of the chattram only, which is in a fairly good condition for the use of the public.

2. As regards the maintenance of the chattram, the Sub Division Officer suggests that the management of its affairs may be vested in a committee of dharmadarsis with Mr. C. Venkata Bhima Rao as one of them and the inam lands restored to the latter for the -- maintenance of the chattram subject to the payment of Jodi, or in the alternative that all the inam lands may be granted to --- Mr. C. Venkata Bhima Rao on condition that he will assess and pay an annual ---

Government grant of Rs.81-2-0 (difference between full -- assessment, Rs.92-12-0 and present jodi, Rs.11-10 -, for its maintenance. The Deputy Commissioner also recommends that the old and dilapidated musafirkhana building may be disposed of and the proceeds credited to chattram funds and that the --- chattram funds may be further augmented by levying a fee ranging between Rs.3/- and Rs.5/- for very marriage celebrated in the building and 0-2-0 per day for every room occupied by travellers beyond 3 days.

3. In the Government Order dated 1579-81/Fuz.254-27-13 -- dated 15th January 1931, it is ordered that the Inam lands be resumed and the chattram and musafirkhana taken over under -- Government management, for continued neglect on the part of -- Venkata Bheemappa and others of the family, as a result of which the Musafirkhana is, as the present report shows, ---- completely fallen down. In the circumstances, I do not think that the restoration of the Inam lands to Venkata Bheemappa or entrusting the management of the chattram to him can be thought of. The order of resumption may, therefore remain as it is, and an independent committee may be appointed to look after the --- chattram, the net proceeds of the Inam lands to be leased out as already ordered being utilised for the repairs and maintenance of the institution.

I have the honour to be,

Sir,

Your most obedient servant,

Huzrai Commissioner.

G.M.229/31-32 dated 21st March 1933 from the Deputy Commissioner, Tumkur District to the Huzrai Commissioner in Mysore./

Subject:- Resumption of Inam lands belonging to the Bhimappa's Chattram and Musafirkhana at Pavagada.

--

With reference to your No.C.126/31-32 dated 25-4-1932 in the matter of furnishing certain additional information regarding the above chattram, I have the honour to forward herewith, the connected file of records on the above subject and to state as follows:-

It is seen from the Amildar's report that there are four places at Pavagada as noted in the margin* for the use of the travelling public. The first is meant for persons who can afford to pay and the second has not got sufficient accommodation for the reasons given in the Amildar's report dated 7-10-32. The fourth is set apart for the use of a particular community and the third is the only building available for the travelling public who cannot afford to pay. The necessity for such a general resort is stated to be keenly felt at the period when the special 1st class Magistrate of Madhugiri stops at Pavagada for itinerant sessions during one week every month.

*1. New traveller's bungalow (iii class)
2. Combined Musafirkhana and old travellers' bungalow.
3. Bheemappa's chattram and Musafirkhana.
4. Hanumanthiah Setty's private chattram.

The musafirkhana is stated to have fallen down and there is no use of getting it repaired at a heavy expense. The chattram is recommended to be retained for the use of the public and its proper maintenance ensured. Two alternatives are proposed by the Madhugiri Sub Division Officer (a) the management of the affairs of the chattram may be vested in a committee of Dharmadarsis with Mr. C. Venkata Bhima Rao as one of them, restoring the Inam lands to the latter for the maintenance of the chattram as was done previously or the grant of all the inam lands to Mr. C. Venkata Bhima Rao on full assessment with an annual Government grant of Rs.81-2-0 (the difference between the full assessment and the present jodi) for its maintenance. In order to augment the funds at the credit of the chattram, it is also proposed to sell away the old and dilapidated Musafirkhana and to credit the sale proceeds to the chattram funds and to seek sanction for the levy of a small fee ranging between Rs.3/- and Rs.5/- for every marriage celebrated in the building. Travelling public may be made liable for the payment of -3-0 per day for every room of their occupation beyond 5 days.

In the circumstances as explained above, I find that there is no

for the chattram in question and request that it may be kindl ordered to be retained. As regards the other proposals of the Sub Division Officer, I find them also reasonable in so far as they tend to improve the resources of the chattram and as such I request that they may be sanctioned.

G.O.No.1579-81/Luz. 254-27-1[illegible] dated 15th Janv. 1931 sanctioning the resumption of Dharmadaya Inam lands endowed to Bhimappa's Chattram at Pavagada and direct-ing that the chattram and the Musafirkhana attached to it be taken under Government management.

2. Appeal petition dated 18th July 1931 from Mr. C. Venkata Bhima Rao son of Hanumantha Rao, residing in Channakeshava-pura Pavagada Taluk, requesting that the orders read above may be modified and the inam lands restored to him.

Order No. 43-6/Mus 16-31-9

Dated, 13th July 1933

The case was taken up on the 4th April 1932. The petitioner and his lawyer Mr. K.T.Bhashyam Iyengar were both present

The petitioner represented that the chattram and the Musafirkhana were built by an ancestor of his and that he is anxious to maintain them in a satisfactory condition so that it might be useful to the public and therefore requested that the Dharmadaya Inam lands attached to the buildings might be restored to him. But it is quite clear from the records that the buildings were very badly

P.t.o

badly neglected and that the Dharmadaye lands were dealt with as ordinary family property. ~~There does not, therefore, appear~~ to be ~~any reason to modify the order already passed~~. The restoration of the Inam Lands to the Petr. Cannot be made and the orders already passed must stand

The petitioner ~~contended~~ prayed that if the lands were resumed, the buildings might be made over to him. The old records relating to the year 1861-62 clearly ~~go to~~ show that the buildings were not constructed at the expenses of the petitioner's family, but by one Mr. Sreenivasa Rao who entrusted the Care ~~repairs~~ etc., of the buildings to one Mr. Bhimappa, ~~ancestor~~ Native Teacher an ancestor of the petitioner. The petitioner's request that the buildings may be made over to him cannot, therefore, be granted.

As regards the Chattram and the Musafirkhana, the Chattram is reported to be in a ~~fairly~~ good condition and useful ~~for~~ to the public. It should therefore be kept in a state of good repair for public use. ~~The~~ from the net income from the lands ~~should~~ ensured to it ~~be used for its upkeep, safeguards being provided by the Muzrai Commissioner by the appointment of a Committee to look after the building~~ and ~~such other action as he may deem necessary to ensure that the income from the lands so devoted to the charity and not diverted to any other purpose.~~ may of Dharmadarsi for the management of the institution

As the Musafirkhana is reported to have fallen down and to be beyond repair, ~~this building~~ it should be disposed of and the proceeds credited to the ~~Chattram~~ funds. of the Chattrams
